EXPERIENCE

Full-Stack Software Engineer Intern, [Evealed Inc.](#)

Remote | April 2020 - Present

- Used MERN stack, Axios, and Mapbox to work on an EV trip routing app in a fast-paced startup environment
- Built a charger queue management system from scratch; designed the UI/UX, built the front-end and back-end, and worked with data models to predict charging times
- Performed Jest and Enzyme tests
- Engaged in a weekly Sprint Planning and manually built, deployed, and demoed my work on Heroku on Fridays

Full-Stack Web Developer, [LEARN Academy](#)

San Diego, CA | Jan 2020 - Present

- Engaged in a full-time bootcamp (480+ hours coding) to learn React, Ruby, Rails and related technologies
- For my final project, built a movie decider app (a full-stack React on Rails app with authentication and an external API) with a remote team of four developers

Full-Stack Creative Artist, [Freelance](#)

Seoul, Korea & Los Angeles, CA | July 2017 - Present

- Branded and designed logos, posters, and social media posts for artists and organizations like Beat Lab and KXLU
- Created custom clothing graphics for celebrity clients like Nick Young and Skyler Diggins-Smith
- Produced, mixed, wrote, and sang songs for clients including partywithray and Facebook Sound Collection
- Curated the third solo exhibition of artist Mee Kyung Kim and sold all 65 exhibited copies of her drawings; currently managing international sales of art by Yong Rae Kwon

Content Writer, [StartEngine](#) (Contract)

Remote & Los Angeles, CA | March - Aug 2018

- Researched and Interviewed CEOs and stakeholders of various tech/cryptocurrency startups in the U.S.
- Wrote, edited, and designed equity crowdfunding campaigns that each raised over \$1M
