Wesleyan University, 2013-2017

B.A. in College of Social Studies
Honors | 3.81 GPA
- Took Economics, Statistics, Political Theory, Art, and Philosophy classes
- Wrote a graphic novel as a thesis after interviewing at 13 factories in China

LEARN Academy, 2020

Full-Stack Web Development
- Spent 480+ hours coding with tools like React, Ruby on Rails, and PostgreSQL, mostly via pair- or mob-programming

AWARDS

Women's Coding Scholarship
   from LEARN Academy
Close the Gap UI/UX Scholarship
   from Bloc
$10K Creative Artist Scholarship
   from 12Entertainment
Davenport Research & Writing Grant
   from Wesleyan University

WORK EXPERIENCE

Web Developer and Designer, the Nomadik

Remote | July 2020 - Present

- Build and update responsive web pages using Javascript, jQuery, HTML, CSS, and CrateJoy (Jinja-based SaaS)
- Manipulate data and create product feed files using PostgreSQL and Django; work with the lead developer to set up an automated transfer of data to e-commerce partners using a cron job and their FTP credentials
- Make different iterations of UI/UX designs using Figma and improve them after analyzing A/B testing results
- Create and maintain the company style guide, which includes brand story, logos, fonts, and color palette

Full-Stack Software Engineer Intern, Evealed Inc.

Remote | April 2020 - July 2020

- Used React/Javascript, Node.js, Express.js, Mapbox.js, MongoDB, and Axios to work on an EV trip routing app in a fast-paced early-stage Agile startup
- Built the EV charger queue system from scratch
- Set up JWT login/session authentication tokens and Mapbox temporary tokens with the help of mentor engineer
- Built, deployed, and demoed my work on Heroku/AWS to the rest of the team every Friday

Designer and Creative Artist, Freelance

Seoul, Korea & Los Angeles, CA | July 2017 - Jan 2020

- Designed logos, posters, and blog pages for musicians and groups like Beat Lab Academy and KXLU radio, using tools like Wordpress, Shopify, Photoshop, and Illustrator
- Created custom clothing graphics for celebrity clients like Nick Young and Skyler Diggins-Smith
- DJed, produced, mixed, wrote, and/or made vocals for musicians including partywithray, Penthouse Penthouse, and Facebook Sound Collection
